## Vendor Parking Accommodations and Assignments

The Market is located on a graveled area directly adjacent to the Church parking lot beside the Picnic Pavilion. There is a centrally located vehicular entrance, for vendors, into the area from Wychwood Drive. The church parking lot is available for market visitors.

Spaces will be assigned by the Market Manager with consideration given first and foremost to special or personal needs of vendors (e.g. adequate shade, special arrangement of vehicle and display as determined by Manager), then to individual preferences as to location on the lawn area and/or Picnic Pavilion. Consideration will be given to a vendor's anticipated frequency of attendance for the year.

**Instructions:** Please describe any special needs, requests, or preferences for space and parking:
